MISSION AND VISION STATEMENTS

MISSION: To support the appreciation of choral music through inspiring performances, raising choral excellence, and collaborating with professionals to help young artists achieve their educational and professional goals and create a community of musical expression.

VISION: To inspire choral excellence in South Florida, supporting young professional singers, professional singers, and nonprofessional singers through performances, as well as established educational programs.

ABOUT SCHOLA CANTORUM OF FLORIDA

In its 42nd Season, Schola Cantorum of Florida (SCOF), has performed in Palm Beach, Broward, and Dade Counties. Committed to choral excellence, community outreach, cultural/artistic growth, and education, this organization fosters the value of live music and cultural enrichment in any community. Through careful programming of choral masterworks, this community of singers has presented and/or participated in a multiplicity of diverse programs and partnerships. Traditionally, SCOF has promoted the significance of choral education/experience for children and adults in community settings. As part of its outreach, in 2016 a partnership with Florida Atlantic University as Ensemble in Residence, Department of Music, Choral and Vocal Studies Program, was established. This partnership has established an ongoing collaboration with FAU's Chamber Singers, alumni, and faculty through weekly rehearsals and numerous performances at the highest artistic level, the vocal, and artistic training of emerging artists through the Schola Cantorum Education Program which includes Artists in Residence (AIR), Young Artists (YA's) and the SCOF Academy of Music at FAU. The AIRS offers opportunities for professional and upper-level soloists to perform solo work. The YA's create opportunities for emerging artists and creates strong leadership skills as representatives of the ensemble in musical and non-musical activities. Under the current artistic director/conductor, the SCOF Chamber Ensemble was founded in 2015. Comprised of professional and exceptional community members including AIR's and YA's and is part of the SCOF concert season. The SCOF Music Academy at FAU, offers an after-school program for children K-8 and had five weeks of summer camp this year.

SCOF has attracted singers of diverse backgrounds, experiences, and age groups. It is a multi-generational ensemble that prides itself as a true traditional community chorus with a permanent roster of diverse singers meeting weekly to unveil the artistic and educational values of every score programmed. Each season is comprised of at least two major concerts in addition to collaborative opportunities offered. SCOF participates in the "Annual FAU Handel's Messiah Performance with Students, Faculty, and Alumni." Previously, it has performed and collaborated in numerous events throughout South Florida, recently as the chorus for Andrea Bocelli's Annual Valentine's Concert in 2022. SCOF welcomes new members through a simple audition in its pursuit to build relationships and community through musical and educational events. Ultimately, it aspires to promote unity through song, add performance opportunities to its season, and recruit students who wish to expand their singing experience by becoming part of the SCOF Music Academy.
